#Module #Various #Price

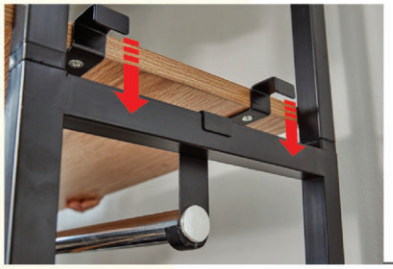

By connecting expandable modules to the main frame,
It's available to make infinite combinations.
As frames are not overlapped, It can be displayed in a space efficiently.
Effective in small living room, dress room, bed room and any places.
It is multipurpose furniture that can be used as wardrobe / vanity / shelf / desk.

Unlimited extension (H1500mm)

Sub frames can be connected to the main frame unlimitedly,
you can complete neat and economic dressing room by saving spaces of overlapped frames.

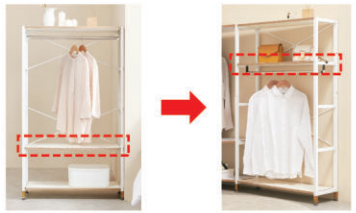

Frame link shelf --> Easy to assemble

You can adjust or remove shelf according to the size of the items to be stored !
